Website Report

Website Report:

Website running well, no problems. Back ups being taken regularly, software and plug ins updated when required. New guidelines page near completion and now needs review for input and approval. New speaker page also requires approval. Work has been undertaken to create a virtual group report template. Secretary testing it today! All above projects are accessible to view via ASC page.

Matters Arising from Website Report

5 of 9 groups responded to new report template. Link to new template was shared in the meeting for people to take a look at. Feedback positive overall. Would be useful if the pdf could be downloaded and put into word.
